Company history:

Founded in 2003 by Andrea Ross, Journeys Within is both a U.S.-based travel agency as well as a ground operator based in Southeast Asia – a combination that allows the company to offer guests seamless, custom trips from the first time they contact the office to their interactions in-country with our local guides. Since its humble beginnings leading tours in and around Siem Reap, Cambodia, the company has established branch offices in Thailand, Vietnam, Laos and Myanmar, and now offers custom itineraries throughout the region.
